Commercial Pools & Aquatic Recreational Areas

2018

FLICKER'S SPLASH PAD

Flicker's Splash Pad was installed at Tall Pines Campground in Lewes, Delaware just in time for Memorial Day Weekend 2016.

Featuring a spray ring, a dump bucket, and a mushroom as well as various ground jets and sprays, the splash pad was plumbed so more features could easily be added in the future.

Splash Pad Installation

REHOBOTH BEACH YACHT & COUNTRY CLUB

Laurie Carter has maintained a close working relationship with the Rehoboth Beach Yacht & Country Club (RBYCC) for many years.

Work done on this pool included replacement of non-working lights, replacement of broken tile and coping, and plaster repairs. In 2008, Laurie managed installation of a new baby pool.

Baby Pool Installation

KINGS CREEK COUNTRY CLUB

Like the Rehoboth Beach Yacht and Country Club, Laurie has maintained a close working relationship with the Kings Creek Country Club (KCC) for many years as well.

In 2008 Laurie oversaw re-plastering of the entire pool and baby pool and has continued to manage routine updates and repairs regularly.

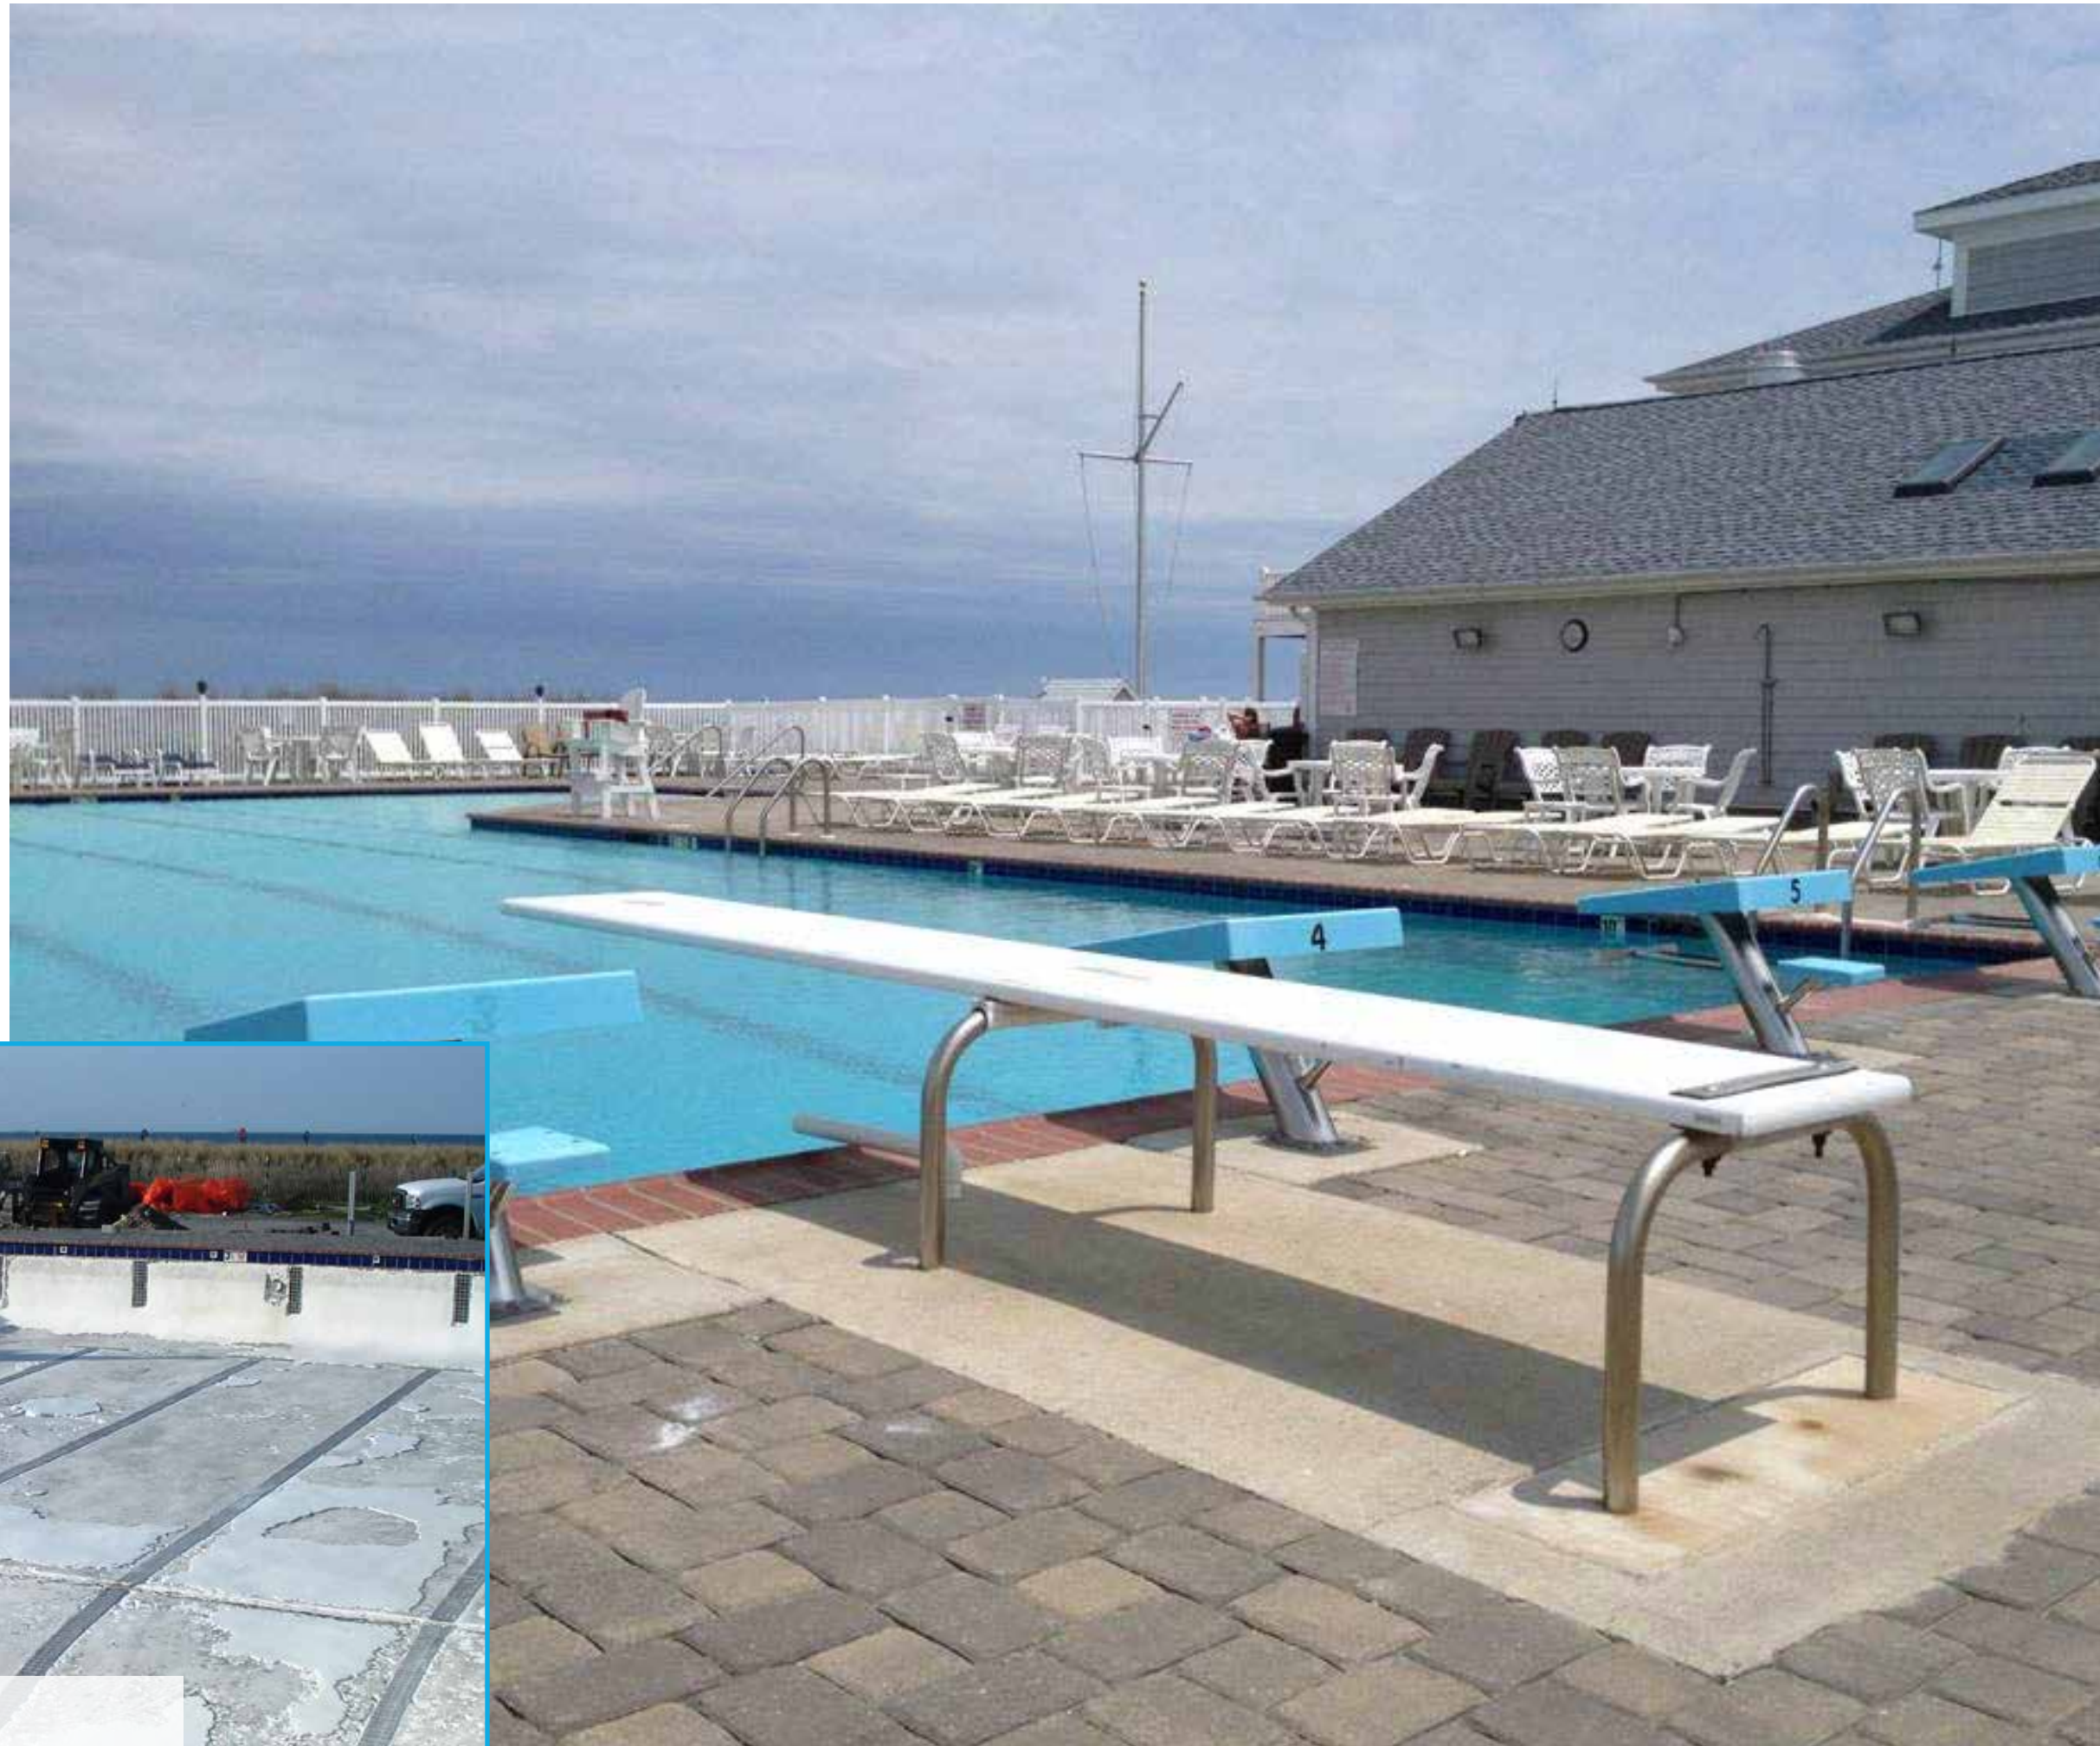

Troweling New Plaster to a smooth finish

LEWES YACHT & COUNTRY CLUB

Laurie oversaw the complete renovation of the Lewes Yacht and Country Club, in Lewes, Delaware.

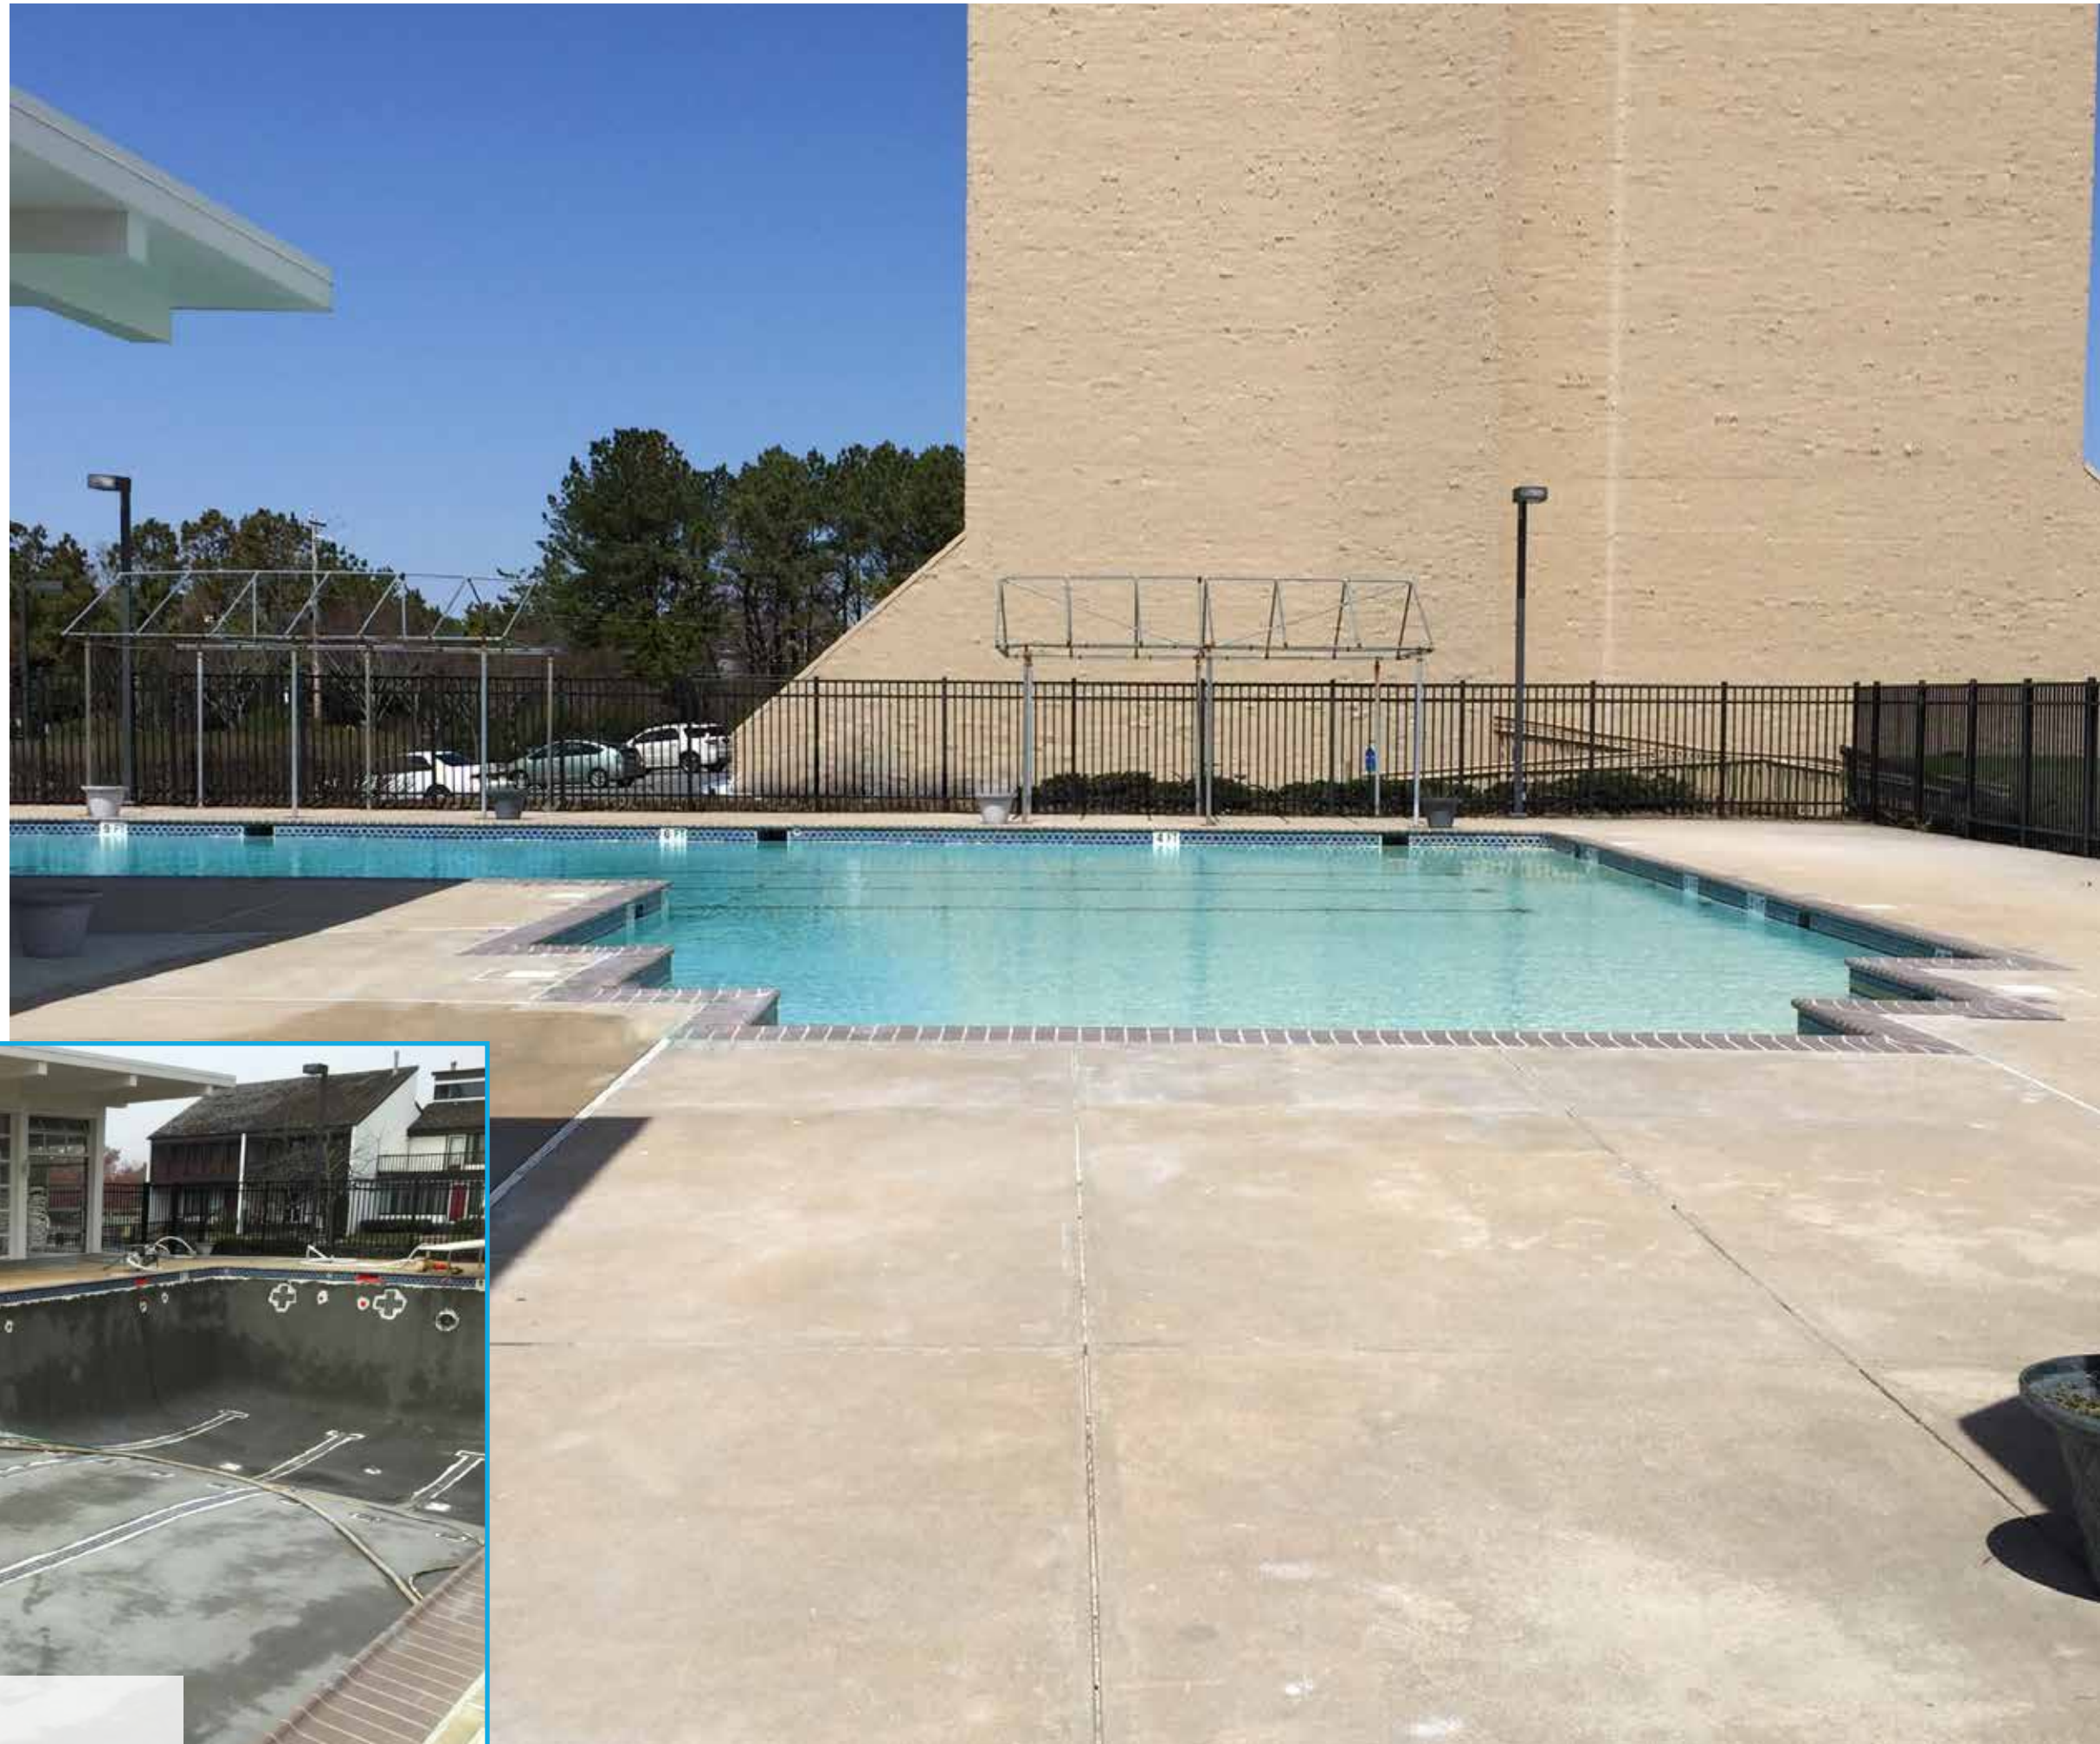

This overhaul included removal and re-application of all plaster, for both the main and baby pools, installation of swim team starting blocks, a permanent diving board, and updates to existing plumbing and equipment.

Old Plaster Prepped for Removal

NORTHSHORES CONDOMINIUM

Carter Aquatics renovated the Northshores Condominiums community pool in 2015.

Prep for Plaster Application

Started by Laurie Carter in June of 2015, Carter Aquatics has seen constant growth as a pool building and renovating company ever since. The business has completed renovation and new construction projects for both residential and commercial pools all over Southern Delaware. Since our founding we have stretched our services from the Delaware Beaches to include Central Delaware and we are continuously seeking new opportunities to showcase our design and construction skills.

Owner Laurie Carter and Head of Construction, Chris Howard have the better part of two decades' experience in pool construction and management in Sussex County and the surrounding Delmarva Peninsula. Both Laurie and Chris hold certifications from the Association of Pool and Spa Professionals (APSP).

Pools are gathering places for families, friends, and neighbors. Whether you're hosting a backyard summer barbecue or the annual neighborhood pool party, Carter Aquatics wants to help you bring people together and ensure you're getting the most out of your recreational aquatic experience.
